

Here is an important update on our School Improvement Days for the remainder of the year.

- Monthly SIP days will move from Wednesday to Monday of the same week (see dates below).
- JHS is already on remote days each Monday, so this won't require any further adjustments.
- JMS will move to a complete remote learning day on the monthly SIP day. It is important that we provide the staff with extra time to help in planning for our hybrid model.
  - Packets or other work will be distributed for in-person learners.
  - Work will be distributed in advance for remote learners.
- Murrayville-Woodson Elementary will dismiss at 12:00. All other elementary schools will dismiss at 12:30 (same as SIP Days in normal year).
