

Tomorrow's Teachers Tutoring

FREE Tutoring for Your Student!

Dear Parents/Guardians:

The fall semester is in full progress and with all the homework, projects and tests already assigned, your student might be falling behind and need extra help. The Tomorrow's Teachers Service Organization at Illinois College will begin their annual tutoring program for students in **Grades K through 8** in Jacksonville on **Monday, September 10th**. We have two tutoring options for your student this Spring: **Monday and Wednesday** nights from **6:30 p.m. to 7:30 p.m.** You will need to bring your student to Crispin Hall, the education building, which is located on West College Avenue near the intersection of Lockwood Place, on the Illinois College campus.

We do require you to sign in and sign out your student before and after each tutoring session. During your student's tutoring time, he or she will be able to work with an Illinois College tutor in many subjects. Tomorrow's Teachers is dedicated to serving the education field, and since most of us are choosing education as a career, we greatly appreciate the experience we gain from tutoring area students. If you have any questions about our **free tutoring program**, please feel free to contact Nathan Chilton at 217-416-3360 or by email at *tomorrows.teachers@ic.edu*. **We hope to see you soon!**
