- 1.5 In keeping with past practice, the salaries and benefits of part-time regular assigned and unassigned bus drivers shall be based on their fractionalized employment status.

**ARTICLE III**  
**GRIEVANCE PROCEDURE**

3.1 DEFINITIONS

- A. A grievance is a claim by the Association, employee, or group of employees involving an alleged violation, misinterpretation, or misapplication of the terms of this agreement.
- B. All time limits shall consist of school days, except that when a grievance is submitted less than ten (10) days before the close of the current school term, time limits shall consist of all weekdays.
- C. Nothing contained herein shall be construed as limiting the right of any employee having a grievance to discuss the matter informally with his/her supervisor and having the grievance adjusted, provided the adjustment is not inconsistent with the terms of the agreement.

3.2 PROCEDURE

The parties hereto acknowledge that it is usually most desirable for an employee and the immediately involved supervisor to resolve problems through free and informal communications. If, however, such informal processes fail to satisfy the employee, a grievance may be processed as follows:

For the purposes of this article, all bargaining unit members shall report to the Director of Transportation at the main bus garage.

- A. The grievant or Association shall present the grievance in writing on the form provided in Appendix C of this Agreement within ten (10) days of the occurrence of the event giving rise to the grievance specifying the article and clause alleged to have been violated and stating the remedy sought, to the Director of Transportation. The Director of Transportation shall arrange a meeting to take place within ten (10) days after the receipt of the grievance. The Director of Transportation shall provide a written answer to the grievance of the aggrieved employee within ten (10) days after the meeting.
- B. If the grievance is not resolved at Step A, the aggrieved or Association may refer the grievance to the Superintendent or official designee within seven (7) days of his receipt of the Step A answer. The Superintendent shall arrange for a meeting to take place within seven (7) days of his receipt of the appeal. Within seven (7) days of meeting, the grievant shall be provided with the Superintendent's written response.
- C. If the grievance is not resolved at Step B, the aggrieved or Association may refer to the Board of Education within seven (7) days of receipt of the Step B answer. The Board of Education shall arrange for a meeting to take place within thirty (30) days of the receipt of the appeal. Within seven (7) days of the meeting, the grievant shall be provided with the Board of Education's written response.
- D. If the Association is not satisfied with the disposition of the grievance at Step C or the time limits expire without the issuance of the Superintendent's written reply, the Association may submit the grievance to final and binding arbitration under the Voluntary Labor Arbitration Rules of the American Arbitration Association, which shall act as the administrator of the proceedings.

If a demand for arbitration is not filed within thirty (30) days of the date for the Step C answer, then the grievance shall be deemed withdrawn.

1. The arbitrator, in his opinion, shall not amend, modify, nullify, ignore, or add to the provisions of this Agreement. His authority shall be strictly limited to deciding only the issues presented to him in writing by the School District and the Association, and his decision must be based only upon his interpretation of the meaning or application of the express relevant language of the Agreement.
  2. Each party shall bear the full costs for its representation in the grievance procedure.
  3. If either party requests a transcript of the proceedings, that party shall bear full costs for that transcript. If both parties order a transcript, the costs of the two transcripts shall be divided equally between the Board and the Union.
  4. Each party shall share equally the cost of the arbitrator and the AAA.
- 3.3
- A. Failure of an employee or Association to act on any grievance within the prescribed time limits will bar any further appeal. An administrator's failure to give a decision within the time limits shall permit the grievant to proceed to the next step. Time limits shall be extended by mutual consent.
  - B. Any investigation, handling, or processing of any grievance by the grievant shall be conducted so that the related work activities of the grievance or the work staff are not interrupted.
  - C. Step A of the grievance procedure may be bypassed and the grievance brought directly to Step B if mutually agreed upon by the employee and the Superintendent.
  - D. If the Superintendent and Association mutually agree, a grievance may be submitted directly to arbitration.
  - E. Class grievances involving one or more employees or one or more supervisors and grievances involving an administrator above the building level may be initially filed by the Association at Step B.
  - F. The Board acknowledges the right of the employee to have a local Association representative present, if requested one, by the grievant, at Step B and Step C of the grievance process. No employee shall be required to discuss any grievance if the Association representative is not present, if one is requested.
  - G. No reprisals shall be taken by the Board or the administration against an employee because of his participation in a grievance.
  - H. With the Superintendent's approval, the grievant and one union representative may be released from his/her regular assignment without loss of pay or benefits to attend the meetings specified in 3.2 A-D if such a meeting is scheduled during work hours.

- I. All records related to a grievance shall be filed separately from the personnel files of the employees.
- J. A grievance may be withdrawn at any level without establishing precedent.
- K. If the Association or any employee files any claim or complaint in any forum other than under the grievance procedure of this Agreement, then the Board shall not be required to process the said claim or set of facts through the grievance procedure.
- L. If both the Superintendent or designee and Association mutually agree, the expedited Arbitration Rules of the Arbitration may be used instead of the Voluntary Labor Arbitration Rules.
- M. The Association Grievance Form is attached as Appendix C.

The Assistant Mechanic may be required to work overtime at the discretion of the Administration.

#### 8.5 SUBCONTRACTING

To the extent allowed by law, during the term of the agreement the Board shall not subcontract work presently performed by members of the bargaining unit. The no subcontracting clause does not prohibit the Board from hiring specialists to perform duties of members of the bargaining unit on a temporary basis or from hiring temporary employees to perform work of the bargaining unit members. The purpose of the contractual items is to restrict the Board from hiring a private corporation and permanently replacing current employees of the bargaining unit. The Board still has the authority to reduce its number of personnel as per Article IX of the agreement and may reduce the number of employees through attrition or dismissal.

#### 8.6 EXTRA TRIP POOL

- A. All regular assigned bus drivers, who want to qualify for the extra trip pool must submit his/her name online on the District #117 website to the Transportation Director by September 15 or December 15 of each year or within fourteen (14) days of initial employment.
- B. An extra trip is a request for transportation that is not part of a regular established route and cannot be accommodated within a regularly established route without extending the regular route time by more than one (1) hour. The Transportation Director may accommodate requests for transportation by extending regularly established routes when, in his discretion, it is feasible and advisable to do so, provided, the regular route is not extended by more than one (1) hour. Repeated trips to a single location for a tournament shall be considered multiple trips and assigned to multiple drivers by departure dates.
- C. Trip assignments shall be emailed to the assigned drivers. Extra trip assignments shall be made on a monthly basis for trips occurring in the next calendar month. Notice of assignments shall be given so drivers will have at least thirty (30) calendar days from the notice of their assignments to the first trip. Extra trips for a month shall be assigned by departure date. Extra trips shall be assigned on a rotational basis according to seniority. Drivers must notify the Transportation Director by email whether they accept or decline a trip by the seventh (7<sup>th</sup>) calendar day of the month. In emergency situations, the Director of Transportation shall make an assignment by calling the next driver on the rotational list.

If a regular assigned or unassigned bus driver declines the extra trip assignment, the driver shall be placed at the bottom of the rotational list. When a regular assigned or unassigned bus driver accepts an extra trip assignment and for good cause cancels an extra trip within forty-eight (48) hours or less from the commencement of an extra trip assignment, then the administration may assign the extra trip to the first available regular assigned or unassigned

bus driver or substitute driver. What constitutes “the first available” shall not be subject to the grievance procedure. Drivers assigned to an extra trip on a “first available basis” do not become part of the regular trip pool as part of that assignment.

Drivers may also trade assigned trips, provided notice of a trade is given by email by all parties to the trade to the Transportation Director by the seventh (7<sup>th</sup>) calendar day of the month. Notice shall identify the extra trips involved. Trip requests received less than thirty (30) days before the date of the trip shall be assigned upon approval of the trip to the next driver in the rotation. That driver may decline the trip without losing his or her place in the rotation, however, if the trip is accepted, it may not be traded.

- D. Any driver trading a trip without proper notice to the Transportation Director shall be removed from the extra trip pool until the next sign-up period, as defined by 8.6A. Removal from the extra trip pool pursuant to this section may not be the subject of a grievance.
- E. A report of the assignments shall be available upon request to the Union President or his/her designee on the date of assignment.
- F. If there are no regular assigned drivers available for trips, the most senior regular unassigned driver will be called for the first available trip. If no regular assigned or regular unassigned driver is available for an extra trip a substitute driver may be called.

- A. “Summer” is defined as those days which fall between the date regular school ends and the date on which regular school begins, as determined by the school calendar each year.
- B. Notices of summer driving position(s) shall be posted within five (5) working days of the position occurring. All notices shall be posted in the bus garage, Murrayville School Office, and the Board Office. The posting shall be for a minimum of seven (7) calendar days before the position is filled for the summer.
- C. Summer driving positions will be posted as per Article VII of this Agreement. Summer driving positions are not considered vacancies as defined in Article VII, 7.1.A. Signup sheets will be posted in the bus garage and at the Murrayville School Office.
- D. The signup sheet shall list all summer driving positions and the schedule for each position. The signup sheet shall designate a place for regular route drivers to sign indicating his/her interest in a summer driving position, and a separate place for those regular route drivers who desire to drive as a substitute for summer driving positions. When a driver signs up to drive any of these summer routes, the driver is representing that he/she will drive the summer route position every day the route must be run, except for illness or unexpected emergency or with five (5) days notice a driver may take two (2) unpaid leave days during a summer driving position. The Director of Transportation may, in his/her sole and exclusive discretion, approve additional unpaid leave days for a summer route driver.

A separate sign-up sheet shall be posted as provided in subparagraph C, hereinabove, for substitute drivers to sign up indicating his/her interest in substituting for a summer route position.

- E. Drivers for the summer driving positions will be selected first from the most senior regular route drivers. If there are not a sufficient number of regular route drivers who have signed up for the summer positions, then the most senior substitute bus driver will be selected.

- F. When it is necessary to find a driver to substitute on a summer route, the Transportation Director has the right to find a substitute driver who is available to fill the entire period the summer route driver will be absent from driving the summer route. For example, if the driver will be absent for three (3) days, the Transportation Director may use a driver with less seniority to substitute on the summer route if the more senior drivers are not available to drive all the days of the period for which the substitute driver is required. The Transportation Director shall select substitute drivers according to the following procedure:
1. All regular route drivers who have signed up to be substitute drivers for summer driving positions shall be called to substitute first on a rotating basis by seniority. (Example: Drivers shall be listed A, B, C regular route drivers by seniority on the substitute list. Driver A shall be called first, if unavailable go to Driver B. Next day, Driver C shall be called first and if unavailable go to Driver A.)
  2. If the Transportation Director has called the regular route drivers who have signed up for substituting for summer route positions on a given day and there are no regular route drivers available to substitute on that given day, then the Director shall call the substitute drivers who have signed up to substitute for summer driving positions on a rotating basis by seniority in the same manner as regular route drivers are called.
  3. Each driver will deliver to the Transportation Director a current home or cell phone number to be used to contact the driver about a substitute driving assignment. The Director or his non-union official management designee, may go to the next driver on the list if the driver who is called does not answer when the call is placed. The Director will leave a message indicating he/she called.
- G. The rate of pay for summer driving will be the “trip rate of pay” as determined by this Agreement.
- H. The language in this Agreement will not replace and/or supersede language already agreed to for the Summer Mail Position.
- I. If, during the course of the summer, there are extra bus trips that are not part of the “summer driving positions” posted and assigned, these extra summer bus trips shall be assigned to regular route drivers who have signed up on a trip sign-up sheet on a rotating basis by seniority. If no regular route drivers are available for summer bus trips, then the substitute drivers shall be assigned on a rotating basis by seniority. Summer extra bus trip sign-up sheets will be posted by May 1 at the bus garage and in Murrayville.
- J. Bus Monitors will be selected by the Director of Transportation to perform bus monitor duties on those summer bus routes as the Director determines are necessary to meet the needs of the District without reference to selection based upon seniority.

Therefore, the total number of workdays is one-hundred seventy four (174) days and the total number of paid holidays is eleven (11) for a total of one-hundred eighty five (185) days. The daily rate of pay is determined by dividing the annual salary by one-hundred eighty five (185) days.

All other employees must work the last scheduled day before and after the holiday. Personal leave will be approved on a "first come, first served" basis to those employees who are eligible.
3. The employee must have been employed by the Board for at least three (3) months.

5. Regular or hourly bus drivers will be paid time and one-half of their regular trip rate if they work on a paid holiday. Substitute drivers will be paid time and one-half of their regular hourly rate if they work on a paid holiday.
6. In the event "Veterans' Day" is designated as a school work day in the school calendar as adopted by the Board of Education during any given school year, then in lieu thereof "the day after Christmas" shall be substituted as a paid holiday for "Veterans' Day" in that school year only.

- A. The Board will designate the provider of the test and will have all costs direct billed to the Board Office.
- B. If a driver fails a drug test and then passes the re-testing within one (1) week of the results of the first test, the District will pay for both tests. The intent of this section is to indemnify drivers against false or inaccurate readings of drug screens by the lab/physicians.
- C. It is the driver's responsibility to hold a valid Bus Driver's permit at all times. Failure to maintain a valid permit is cause for dismissal.

#### 8.10 COMMERCIAL DRIVER'S LICENSE

The Board will reimburse the driver for the cost of the Commercial Driver's License portion of the employee's driver's license.

## 8.13 VACATIONS

- A. A year round employee shall earn vacation on the basis of completed fiscal quarters worked. The vacation shall be in days per quarter or one-fourth (1/4) of the annual amount. In the initial year of employment the employee will earn pro-rated days of vacation based on the number of completed fiscal quarters to the start of the new fiscal year (the fiscal year is July 1 through June 30). If a person is initially employed between July 1 and December 31, said employee shall be considered as completing a fiscal year effective July 1 of the following fiscal year. If a person is initially employed between January 1 and June 30, they will earn vacation days for this period of time, but will not be considered as completing a fiscal year until July 1 of the calendar year following employment. All persons hired prior to July 1, 2005 shall be considered to have completed a fiscal year in their initial year of employment regardless of employment date.
- B. Mechanics will be granted vacation days based on the following years of continuous service:

(A day of vacation for the Assistant Mechanic will consist of five (5) hours.)  
(MOU grandfather status for John Harney).

- C. When a mechanic reaches the end of a fiscal year, he/she shall receive credit for the vacation earned from the time of employment to the end of the fiscal year in which employment began, and at the proper number of days of each completed quarter worked. After an employee has worked one (1) full year, he/she shall receive credit for vacation due at the end of each quarter (October 1, January 1, April 1 and July 1).
- D.
1. Vacation time earned in one (1) fiscal year shall be used by the end of the following fiscal year, or the mechanic shall lose it except with prior approval of the administration to carry over unused vacation time to the following fiscal year.
  2. Mechanics may request to use their vacation time earned during the course of the school year when students are not in session. The District reserves the right to approve or disapprove the requests on the basis of staffing needs as determined by the administration.

Said employees will not lose their accumulated vacation leave, but they will not be allowed to continue to accumulate additional vacation time until the employee's return to active duty.

An employee who has accumulated vacation leave will be allowed to carry over that time into the next fiscal year. Prior to this accumulated leave being taken said employee must submit a request to management for approval just as if this was regular accumulated vacation time for that fiscal year. Said accumulated leave must be used within the next fiscal year.

**ARTICLE IX**  
**DISTRICT SENIORITY**

9.1 SENIORITY is the length of the employee's service starting with the first day on which duties are regularly performed. Full and part-time service shall be computed in the same manner.

9.2 Seniority is lost upon the following:

1. Resignation
2. Dismissal
3. Retirement

9.3 Seniority is retained, but shall not accrue during the following:

1. Unpaid leave of absence
2. Unpaid sick leave

9.4 Seniority continues to accrue during the following:

1. Paid leave of absence
2. Temporary disability under the Illinois Municipal Retirement Fund (IMRF).

9.5 By February 1 annually, the employer shall publish a seniority list. The Association, on behalf of the employees, shall have until February 15 or the first work day thereafter to file written objections to the list. A final seniority list shall be posted in the bus garage by March 1 of the work year.

9.6 REEMPLOYMENT RIGHT

1. If the Board increases the number of bargaining unit employees within one calendar year after the honorable dismissal of any bargaining unit employee because of a reduction in force, the employee with the most seniority who is legally qualified to hold the open position shall be recalled and offered the open position.
2. Failure to respond within fifteen (15) calendar days after the mailing of the Board's letter of recall, sent by certified mail to the employee's address on file with the Board recalling such employee, shall result in termination of the employee's rights to recall hereunder.

9.7 CATEGORY OF POSITION

The seniority list will have five (5) categories of positions listed on it:

Head Mechanic  
Assistant Mechanic  
Regular Assigned Bus Drivers  
Regular Unassigned Bus Drivers  
Bus Monitors

9.8 LAYOFF

When the District decides to lay off employees, the Board will lay off the least senior individual first (last hired) prior to reducing in rank any other employee in the bargaining unit.

## 9.9 BUMPING RIGHTS

When the Board decides to layoff bargaining unit employees in any of the categories of positions listed in 9.7 above, the least senior employee (last hired) in that category of position shall be reduced before employees with more seniority in that category of position.

Example: Driver A is a Full Time Driver (has an AM/PM Route and a Shuttle) and Driver B is a Special Education Driver. Driver A is reduced in the number of hours he/she will work (Shuttle Route is eliminated). Driver A has more seniority than Driver B – Driver A has the right to bump Driver B and take the Full Time Position. Driver B is then given the AM/PM Route.

Head Mechanic will be allowed to bump a less senior part-time mechanic or a less senior full-time bus driver or a less senior part-time bus driver.

Part-time mechanic will be allowed to bump a less senior full-time bus driver or a less senior part-time bus driver.

## 9.10 ROUTE ELIMINATION

When the Board of Education decides to eliminate one (1) or more bus route(s), the driver with the most seniority who has a route that is being eliminated shall have the right to bump any driver in the District with less seniority. Said driver must exercise said bumping rights within seven (7) working and/or week days or the District will assign a bump within four (4) working and/or week days thereafter. After the bump has taken place for the most senior driver who had his/her route eliminated, the second most senior driver having a route eliminated shall have the right to bump any driver in the District with less seniority. Said driver must exercise said bumping rights within seven (7) working and/or week days or the District will assign a bump within four (4) working and/or week days thereafter. If more than two (2) routes are eliminated, the process will continue in the same manner until drivers for all routes, which have been eliminated, have completed the process.

After all drivers who have had a route eliminated and bumping rights have been exercised, persons who have been bumped shall be entitled to bump on a seniority basis in the same manner until the process has been completed. Drivers will be paid based upon the amount that has been paid for the route they selected.

**ARTICLE X**

However, income received from Worker's Compensation shall be deducted from the District's compensation liability to the employee. When income from other than District funds is received by the employee due to his/her injury, the District shall only be responsible for the remaining salary owed the employee. The intent of the District is that in no case shall the employee who was injured while performing his/her duties receive more than one-hundred (100) percent of his/her gross salary. If an employee who is injured on the job receives no District funds, no sick leave benefits will be deducted. If an employee who is injured on the job receives District funds, sick leave benefits will be deducted on a pro-rata basis.

#### 10.4 LEAVE FOR JURY/SUBPOENA LEAVE

When an employee is called for jury duty, the employee shall be granted leave with full pay, but the employee shall pay to the District any amounts of money received for such leave, minus expenses for mileage and meals. Leave for jury duty shall not be counted against accumulated personal leave or sick leave.

#### 10.5 LEAVES OF ABSENCES

Leaves of absence without pay may be granted to non-probationary employees.

The Board may grant employees, upon a thirty (30) calendar day written request, unpaid leaves of absence to a maximum of one (1) year in duration. An employee may request an extension of an approved leave of absence.

Dates of departure and return must be acceptable to the administration and determined prior to initiating the request. Time on leave shall not cause an employee to undergo a second probationary period. Leaves of absence which are ten (10) working days or less in duration may be granted by the superintendent without board approval.

In emergency cases the superintendent shall waive the thirty (30) calendar days if the employee indicates the occurrence is beyond his/her control.

Upon conclusion of a leave of ninety (90) consecutive calendar days or less, the employee will return to his/her original position/route for which the employee is medically and legally qualified to fill. If the leave is longer than ninety (90) consecutive calendar days, then upon return from leave the employee will be placed in a comparable position/route for which the employee is medically and legally qualified to fill. The individual filling the position of the person on leave would be doing so only for the duration of the leave of absence.

#### 10.6 BEREAVEMENT LEAVE

Employees shall have up to three (3) days, per incident, for leave connected with the death of members of the immediate family or household. Such leave shall be an annual allowance and not accumulate. The immediate family shall be defined as in Article 10.1 of this agreement. The household shall include those individuals actually residing in the employee's household.

## 10.7 SICK LEAVE DONATION POLICY

The Board and the Association hereby agree to establish a Sick Leave Donation Plan. This plan's purpose is to allow all personnel in this bargaining unit the ability to donate their sick days to another employee who has exhausted his/her personally accumulated sick leave and personal days due to catastrophic illness, serious injury, or surgery and associated therapy which has affected the employee.

- A. A committee will be established to act as the governing body for the administration of the Sick Leave Donation Plan. Said committee shall consist of two (2) members of the bargaining unit named by the Association, and two (2) persons appointed by the Superintendent.

The Sick Leave Donation Committee meetings will be held as needed to review applications and determine eligibility. In making decisions, the Committee will use the simple majority rule. Following the date of a decision rendered by the Committee, an employee may appeal in writing said decision to the Board of Education within thirty (30) calendar days.

- B. Persons desiring to use the sick leave donation plan should contact the Association President. The Association President and the Director of Human Resources will convene the committee.
- C. District personnel wishing to donate days will use the form provided in Appendix A. A donated day will be equal to the number of hours that the donating employee works. For example, a four (4) hour employee who needs a sick leave donation and a 6-hour employee makes a donation, the six (6) hour employee is donating six (6) hours to the sick leave plan.
- D. Beginning with the fourth consecutive day, and after the employee has exhausted all of his/her sick leave and personal leave, an employee may be eligible to use the Plan. If the employee is eligible, the Plan coverage shall be retroactive to include the first day of eligibility (after the fourth consecutive day of absence). An employee who has had surgery or injuries requiring therapy may be eligible to use the Plan for therapy appointments as deemed necessary by his/her medical provider and which may be scheduled on an ongoing, irregular basis.
